

Dear Valued Customer:

Did you know you could improve your quality of life every time you shop? We would like to introduce Neighboromics...“Neighborhood Economics.”

Neighboromics promotes shopping in El Dorado County first, which supports our job base, law enforcement, fire safety, roads, and public health. Sales tax revenues help support these services. When you shop locally, you are providing jobs for your neighbors, money for your county services, and a better environment for us all.

As your local provider of (*replace with your company's product or service*), we are committed to an excellent relationship with our customers, and there are other community-minded businesses like us who will work just as hard to earn your confidence.
